

# Text Structures

## *Chronological Order*

Tells events in the order that they happened

**Example:** A novel about an adventure in space

## *Problem and Solution*

Tells about a problem and how it is solved

**Example:** An editorial suggesting a solution to a neighborhood problem

## *Cause and Effect*

Tells about something that happened and what made it happen

**Example:** A news report about damage caused by a hurricane

## *Compare and Contrast*

Tells how two things are the same and how they are different

**Example:** A blog post comparing two recipes for chocolate cake

## *Description*

Describes something, paints a picture with words

**Example:** a poem describing a beautiful sunset
